

The Monimax 5300XP is more than just a powerful, secure ATM. It also offers you more revenue opportunities with optional HK500 and HK600 sidecars.

Features

Scalability and Flexibility

The Monimax 5300XP supports up to 8,000 notes in four cassettes. Automated bill-payment, stored value cards and check-cashing services (with optional sidecars) are all designed to maximize your revenue.

Advanced, Powerful Sidecars

Two optional sidecars offer additional profitable features. Their customer-centric services include check, fingerprint and ID-card scanners. A money order printer, card printer and coin dispenser are also available.

Deposit Automation Features

Deposit automation saves you money by reducing your printing costs. Plus, you can save tons of paper over time, giving you the power to build your image as an earth friendly company.

Dependable Customer Service

You can't afford ATM downtime. That's why we offer customer service with real people and real solutions. Trust Nautilus Hyosung to be your business partner.
